Anaheim, CA 92802

SPEAKERS

**Mary E.
Comazzi**
Partner

Mary Comazzi will present on the Intersection of Aviation Tax and FAA Regulations at the HAI HELI-EXPO 2024.

Mary's presentation will address common aircraft ownership and operating goals and their related tax implications as well as other Federal Aviation Administration (FAA), tax, and liability implications on operational objectives. It will also review tips on establishing compliant operations and how to avoid inadvertent missteps.
