

Denton Moderates Panel At Michigan Chemistry Council Annual Meeting And Program

May 1, 2014

Charlie Denton of the Grand Rapids office moderated a panel discussion by the Michigan Department of Environmental Quality Director Dan Wyant and Chiefs of multiple DEQ Divisions (such as Air Quality; Remediation; Water Resources; Oil, Gas & Minerals; and Waste Management) at the Michigan Chemistry Council Annual Meeting and Program in Lansing, Michigan. Approximately 40 members attended, including Amway, BASF, Dow Chemical and PVS Chemicals. Charlie serves on the Michigan Chemistry Council Board, is the Government Affairs Committee Chair and was reelected to another term on the Board at the meeting.
