

## George Washington University (GWU) Global MBA 2015 Class

### DATE

**April 22, 2015**

On April 22, Brad Olson of the Washington, D.C., office was a panelist at a George Washington University (GWU) Global MBA 2015 Class special projects event in Washington, D.C. Brad lectured on general intellectual property issues small to medium-sized cleantech enterprises face as they consider establishing in the U.S. This year's project centers on Swedish companies and each GWU MBA student will be seconded to a Swedish company for a given period of time and assist with its business entry plans.
