

Voir Dire: Effective Techniques For Getting And Using The Information You Need

DATE

January 8, 2013

Dennis Stolle of ThemeVision and the Indianapolis office presented a Lorman Education Services national teleconference and webinar on Jan. 8, 2013. The program was titled, "Voir Dire: Effective Techniques for Getting and Using the Information You Need." The presentation, which was attended by trial lawyers throughout the country, covered practical techniques for preparing and executing effective voir dire strategies in state and federal jury trials.
