

SPEAKING ENGAGEMENTS

Big Data Issues In Medical Research

DATE

April 22, 2015

SPEAKERS

**Brian J.
McGinnis**
Partner

Please join us at the upcoming KnowledgeNet and learn about the data privacy implications and related legal implications in conducting medical research, including data analytics of cancer cells. Group discussion and networking will follow the presentation.

Hear from:

- Dr. Sarath Chandra Janga, Assistant Professor, School of Informatics and Computing, Indiana University - Purdue University Indianapolis
- Brian J. McGinnis, Intellectual Property & Technology Attorney, Barnes & Thornburg LLP

Earn Free CPE Credits:

CIPP/US, CIPM and CIPT certificate holders will automatically receive 1.5 continuing privacy education (CPE) credits for attending this KnowledgeNet. More information on how CPE credits will be applied can be found on the registration page.

When: Wednesday, April 22

Time: noon - 1:30 p.m.

Where: Indiana University - Purdue University Indianapolis | 535 W Michigan Street | IUPUI School of Informatics - IT 257 | Indianapolis, IN

RSVP is REQUIRED by Tuesday, April 21. Seating is limited.
