

**With over 30 years of experience, Rick Boyd is valued by financial institution clients for his deep experience and capabilities in corporate finance and lending. Rick advises on franchise, hotel, convenience and gas station, fitness, real estate and government guaranteed finance.**

Rick offers extensive experience representing financial institutions in structuring and documenting secured and unsecured lending transactions.

He has represented the agent bank and the lenders in credit facilities and financing involving companies in a broad range of industries and property types, including restaurants, automobile dealerships, convenience stores and gas stations, healthcare companies and hospitals, hotels, office, retail, apartments and industrial.

Additionally, Rick also regularly represents lenders, administrative agents and collateral agents in connection with the collection and restructure of indebtedness outside of bankruptcy.

Prior to joining Barnes & Thornburg, Rick was a finance partner at an AmLaw 200 law firm in Atlanta.
