

SPEAKING ENGAGEMENTS

A Beginner's Guide To Blockchain & Cryptocurrency Regulation

DATE

March 1, 2022

SPEAKERS

Mark Stignani
Partner

Mark Stignani presented a virtual on-demand webinar, "A Beginner's Guide to Blockchain & Cryptocurrency Regulation," through the National Business Institute. The content explores the most current and prominent issues regarding smart contract regulation; examines the ongoing struggles with regulating blockchain technology at a national level; and looks at some of the biggest regulatory concerns regarding cryptocurrency token exchanges and federal securities law.
