Society For Human Resource Management - "Myths Abound About Right-to-Work States"

August 28, 2014 | [Grand Rapids](#)

Bob Sikkel of the Grand Rapids office commented in an article published by the Society for Human Resource Management. The article, "Myths Abound About Right-to-Work States," Bob states "contrary to popular misconceptions, union organizing is not less prevalent in the 24 right-to-work states."
