

## Attorney Presentation - Michigan Department Of Environmental Quality Priorities And Agenda For 2016

### DATE

May 20, 2016

### SPEAKERS

**Charles M.  
Denton**  
Partner

Charlie Denton of the Grand Rapids office moderated a panel discussion by the Michigan Department of Environmental Quality (MDEQ) Interim Director Keith Creagh and Chief Deputy Director Jim Sygo regarding "MDEQ Priorities and Agenda for 2016." Charlie also led a breakout session regarding MCC government affairs. Attendees included the American Chemistry Council, Amway, Anderson Development, BASF, Dow Chemical, Haviland Chemical, Trinseo, and many others. Charlie was reelected to the Michigan Chemistry Council Board of Directors, and continues as chair of the Government Affairs Committee.
