Because sometimes 140 characters is all you have time to read or if you want to have a notification of when we post, we have established a [Twitter account](#) for the Barnes & Thornburg Labor Department. The feed is focused on topical and timely information including notifications of postings to the Department's two blogs, [BTLaborRelations](#) and [BTCurrents](#), as well as other breaking labor and employment law news.

You can follow us [@BTLawLE](#). Hope to see you there!
