Corporate Policyholder Magazine - 2021

October 15, 2021

The biggest story of the past 18 months has been the coronavirus pandemic. The insurance industry has certainly not been immune, as hundreds of lawsuits have been filed for business interruption losses and related issues. Beyond the pandemic, cyber security threats, risks from environmental liabilities, and gaps in commercial general liability policies are other matters corporate policyholders face. This issue of Corporate Policyholder magazine, a publication of the Barnes & Thornburg [Insurance Recovery and Counseling Practice Group](#), offers key insights and context that policyholders can use to navigate these pressing concerns
