

What Is All This Regulatory 'Stuff'? I Just Want To Manufacture Things!

DATE

November 20, 2014

Charlie Denton of the Grand Rapids office presented at the Michigan Manufactures Association's "Environmental Compliance Essentials for Manufacturers" workshop on Nov. 20 in Lansing, Michigan. His presentation was entitled, "What is All This Regulatory 'Stuff'? I Just Want to Manufacture Things!" More than 30 representatives of various manufacturers and consultants including Dow Corning, Heritage /Crystal Clean, Consumers Energy, and some smaller companies attended the workshop.
