

SPEAKING ENGAGEMENTS

The American Conference Institute On U.S.-China Trade Controls

DATE

October 11, 2023

SPEAKERS

**Nicholas A.
Galbraith**
Partner

Nick Galbraith spoke at the American Conference Institute conference on U.S.-China Trade Controls at the Madison Hotel in Washington, D.C. The conference addressed the evolving China trade controls and supply chain and business operation AI challenges. Nick co-led a workshop titled “A Practical Guide to Strengthening Third Party and Supply Chain Due Diligence and Resilience: Revisiting Export Controls and Sanctions Risk Assessments, Compliance, and Monitoring from Start to Finish,” on the latest best practices, pitfalls to avoid and more actionable takeaways for updating a company’s program.
