Fort Wayne Journal-Gazette - Patently Speaking - Pump Bypass Won't Hurt Performance

November 22, 2015 | [Fort Wayne](#)

Greg Cooper of the Fort Wayne office authored the column, "Pump bypass won't hurt performance," for the Sept. 27 edition of the *Fort Wayne Journal-Gazette*. Greg's column, "Patently Speaking," appears weekly and highlights various patents issued by the U.S. Patent and Trademark Office.

Greg Cooper is a member of Barnes & Thornburg's Intellectual Property Department. He represents both individuals and corporations in the areas of U.S. and foreign patent procurement, trademark and copyright registration, non-disclosure agreements, trade secret law, and intellectual property enforcement and licensing.
