

## **Healthy Data, Healthier Patients: How Cybersecurity Influences Health Outcomes And Navigating A HIPAA Breach**

### **DATE**

**September 11, 2015**

Doriann Cain of the Indianapolis office spoke at the Indiana State Bar Association's 5th Annual Health Law Symposium on Sept. 11. Doriann's presentation was titled "Healthy Data, Healthier Patients: How Cybersecurity Influences Health Outcomes and Navigating a HIPAA Breach." Doriann discussed the causes of data breaches in the healthcare sector and how to prepare for and navigate a breach under HIPAA.
