I AM...

- A seasoned traveler who always thinks there is time to see one more thing: the world is full of wonders
- An avid reader who loves nothing more than a good mystery and “just a couple more pages”
- A rower and when seven seat is calling, this night owl will willingly roll out of bed at 4:30 a.m.
- A soccer player, coach, mom, fan and critic
- The friend you turn to when you need a cheerleader
- A history buff but hopeless at geography
- A wife, mother, daughter, niece and aunt and I cherish every person who has given me those titles
- Scottish, born and bred
- An optimist
- A believer
