

LOCATIONS

South Florida

The region is bustling with corporate headquarters, Fortune 500 companies, and small and mid-size companies that rely on our attorneys for tax, estate and asset protection planning; business succession planning and wealth management; and policyholder insurance recovery and counseling needs, along with commercial litigation, government relations, and additional corporate legal services.

The attorneys in Barnes & Thornburg's South Florida office are part of a dedicated team of more than 800 legal professionals committed to a client-centered, value-driven practice philosophy.
