#### I AM...

- Married to my wife, Nicole
- A resident of the Upper West Side of Manhattan
- An avid traveler
- Happiest while near bodies of water (sorry, no Burning Man in the desert for me!)
- A small batch homebrewer (hard cider) and home chef
- More of a dog person than a cat person. Some cats are all right, but they're all plotting to take over the planet. Even cat owners will tell you that.
- An event photographer, mostly in LGBTQ+ spaces
- A former resident of Chapel Hill, NC – Go Heels!
- Someone who wants to go fishing more often
- A former punk rock deejay in college, but a current member of the Beyhive and a Little Monster
