MergerMarket - "UnityPoint Broadens Acquisition Search To Critical Access Hospitals, Insurers - President"

July 24, 2015 | [Chicago](#)

Mark Rust of the Chicago office was quoted in MergerMarket's article, "UnityPoint broadens acquisition search to critical access hospitals, insurers - president." In the article, published on July 24, Mark suggested that UnityPoint might consider buying hospitals with, for instance, a couple hundred beds and converting half of them to a higher-profit specialty such as skilled nursing.
