National Law Journal Recognizes Anthony Sallah As A Real Estate, Construction Law Trailblazer

September 22, 2022 | [Grand Rapids](#)

Grand Rapids, Mich. – The National Law Journal has named Barnes & Thornburg partner, Anthony Sallah, a 2022 Real Estate/Construction Law Trailblazer. The recognition spotlights professionals who “have made significant marks on the practice, policy and technological advancements in their sector.”

A partner at the firm, Sallah litigates complex construction disputes and leverages technology to manage and synthesize project documents. He centers his practice on prosecuting and defending construction claims involving deficient design, productivity and scheduling, acceleration, and defective work. In addition, he counsels both institutional and individual clients on construction and commercial litigation in federal and state court, as well as in arbitration.
