Elkhart

Our attorneys guide and support the global presence of our clients across a vast array of industries and markets, which include recreational vehicles, recreational marine products, automotive equipment, advanced manufacturing, intermediary chemicals and mobile device components, as well as service sector clients in industries such as logistic and supply chain management, healthcare, and college, university and K-12 education.

Our clients span all stages of the business lifecycle and sizes, including innovative startups, private, family-owned and closely held businesses, public institutions, and publicly traded companies.

The Elkhart office provides clients a national legal platform and full-service support. From representing clients in high-stakes litigation, structuring complex business transactions, or advising clients on everyday legal issues, we have the experience and capabilities to assist clients across multiple practice areas, including corporate and entity formation and governance, M&A, tax, real estate, labor and employment, litigation, environmental, financing, education, intellectual property, immigration, trade regulations and customs, regulatory, and estate planning and probate administration.

In addition to rendering value-oriented legal services, we also believe it is important to volunteer and support various nonprofits and community organizations. Many of our professionals and staff have leadership roles in organizations such as the Community Foundation of Elkhart County, the United Way of Elkhart County, the community mental health center and the regional healthcare system.
