

SPEAKING ENGAGEMENTS**Chief Patent Counsel On The Next Wave Of AIA Issues****DATE****September 27, 2013**

Felicia Boyd of the Minneapolis office held a panel on Sept. 27 at the Midwest IP Institute. Her panel was titled "Chief Patent Counsel on the Next Wave of AIA Issues." Felicia's panel discussion focused on the new issues that chief patent counsel see on the horizon as the American Invents Act plays itself out and the courts work to implement and interpret the new provisions and procedures contemplated by the statute. Dan Enebo (Cargill), Kevin Rhodes (3M) and William Miller (General Mills) also presented with her.
