

## MEDIA MENTIONS

### University Of Illinois College Of Mechanical Science And Engineering Alumni Board President

June 1, 2015 | [Chicago](#)

Thomas Donovan of the Chicago office was appointed to a two-year term as president of the University of Illinois College of Mechanical Science and Engineering alumni board. Prior to this recognition, Tom served as vice president. The MechSE alumni board serves as a representative group of MechSE alumni who have a vested interest in the development of the department. The purpose of the MechSE alumni board is to connect with fellow alumni and encourage their involvement to support the department and the university.
