

## Why Barnes & Thornburg?

Finding new ways to help clients identify solutions and new business opportunities, across industries, is at our core. We are, at times, more than lawyers, we are advisers bringing new ideas to light. We understand what keeps you up at night and work collaboratively to find practical and creative solutions, at the heart of business.

## FRATERNITIES AND SORORITIES

### Chapter & Vs.

Barnes & Thornburg serves as legal and business counsel for national fraternities and sororities. Our team consists of lawyers who not only provide counsel on areas most critical to fraternal organizations - nonprofit governance, real estate, labor and employment, nonprofit tax law, business contracts, and intellectual property - but also understand in depth the unique environment in which fraternity and sorority clients operate.

### We assist fraternities and sororities with issues such as:

- Local and national housing corporation issues
- Governance documents such as constitutions, bylaws, and policy manuals
- Member discipline and other membership issues at all levels
- Obtaining and maintaining tax-exempt status, and responding to related government inquiries
- Drafting, review and administration of contracts with vendors and other business associates
- Host college and university relations and contracts
- Various issues related to the single sex nature of many of our clients in a rapidly changing legal environment related to such issues
- Fundraising including charitable solicitation standards, planned giving and charitable gaming compliance
- Intellectual property issues such as license agreements for the distribution of products
- Web development, licensing and other technology-related

agreements

The firm's national footprint, breadth of resources, and focus on value provides a platform that is ideally suited to cost-effectively address the wide range of issues fraternities and sororities face.
