DEI In Action: Real Life Scenarios As Seen By The Summer Associate

DATE

June 3, 2022

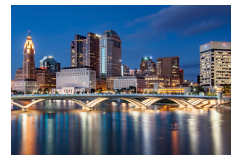

SPEAKERS

William A. Nolan
Partner

Caroline MacNeill, Omar Salgado and Bill Nolan presented “DEI in Action: Real Life Scenarios as Seen by the Summer Associate” at the Columbus Bar Association’s annual “Sharpen Your Skills for the Summer” program for summer associates around Columbus. The Barnes & Thornburg team’s session focused on four touchy situations that summer associates could realistically encounter during their summer and how to address them from the potentially challenging seat of an active job seeker.
