SPOTLIGHTS

Kelly Atkinson: I Am Barnes & Thornburg

November 1, 2022 | [Columbus](#)

I AM...

- In love with Jesus and in awe of my Almighty God
- A bio mom, bonus mom, and wife in the coolest blended family I could've imagined
- Refreshed and rejuvenated by simply breathing outdoors
- All about community – creating unity with diversity at all levels and categories
- Ridiculously organized, efficient and focused; and eager to help others grow in those areas
- Known as the “White Devil” thanks to winning many games of Settlers of Catan with the white pieces
- A spreadsheet queen who appreciates Excel and all of its beauty
- Forever grateful for those who have so unselfishly poured into me – especially my mom and Bill Nolan
- More competitive than you'd ever expect a flute-playing band nerd to be
- A total control freak working on becoming more like my free-spirited, incredible hubby... or maybe that's what retirement is for
