The State of Indiana Division of Minority and Women Business Enterprises exists to champion certified MBE/WBE/VBE/DBE businesses. Your growth and sustainability is a win for you and the State of Indiana. Barnes & Thornburg wants to be part of that growth and help you “win!”

To that end, we invite you to join us for our first “Certified for Success” diverse supplier event on Wednesday, April 20. Terrie F. Daniel, Deputy Commissioner of the Minority & Women’s Business Enterprises for the State of Indiana, and Tony A. Kirkland, Special Assistant to Governor Pence, have graciously joined forces with us to share their knowledge and insights on how to leverage your certification and develop a winning platform to secure contracts. There will also be a Q&A session to ask specific questions about the growth and development of your own business.
