Kendall Millard of the Indianapolis office presented during a U.S. Business Seminar on Sept. 13 in Hiroshima, Japan. The event was sponsored by Japan External Trade Organization (JETRO). Japanese companies that are located in western Japan are looking to invest in the U.S. due to the increased automotive production in North America and Mexico.

Hide Niiyama, a business development manager in the firm's Indianapolis office, also lectured about Japanese automotive companies in the U.S. Pete Morse of the Indianapolis office and Indiana First Lady Karen Pence viewed cultural centers in Kyoto in preparation for the Japan-America Society of Indiana's plans for a cultural center/garden in Indianapolis.
