

Success EDU - Employment Trends For 2015

DATE

January 28, 2015

David Ritter of the Chicago office presented "Success EDU - Employment Trends for 2015" for the Chicagoland Chamber of Commerce on Jan. 28 in the Chicago office. The event focused on new laws and regulations Illinois employers need to be aware of; the shift in how government agencies view employment matters; and how to compete in global markets with international competition.
