

SPEAKING ENGAGEMENTS**Attorney Presentation - NextFab****DATE****February 26, 2016****SPEAKERS****Joan T. Kluger**

Partner

On Feb. 26, Joan Kluger of the Delaware office presented on international patenting to an audience convened at NextFab in Philadelphia, a collaborative workspace with digital and traditional fabrication tools, classes and consulting services. Joan presented with Garrett Brown, the inventor of the Oscar-winning Steadicam® stabilizer, during a seminar on ways to advance inventions. Garrett provided a history of his prolific inventing career, after which Joan addressed the patent process.
