

SPEAKING ENGAGEMENTS**Bringing Your Own Device To Work****DATE****November 20, 2013**

Tina Syring of the Minneapolis office co-presented a webinar to more than 550 attendees on the legal ramifications of bringing your own device to work on Nov. 20. Eplace Solutions asked her to present on the topic of exponential growth of mobile devices in corporate environments and the security challenges associated with them. She also covered an overview of the statutory law, the legal concerns for employers and how to implement an effective policy.
