

Life Sciences Lunch – The Federal Government And The Life Science Industries II

DATE

December 16, 2014

Please join us for a conversation with U.S. Representative Erik Paulsen, who will discuss the interplay between the life science industry and the U.S. federal government. Rep. Paulsen is co-chair of the bipartisan Congressional Medical Technology Caucus and a strong advocate for the life science industries.

Topics to be discussed will include:

- FDA: 501(k) program and MenB vaccine
- Intellectual property: patent reform, patent eligibility of DNA, trade secret legislation, and patent troll legislation
- Taxes: medical device tax and corporate inversions
