I AM...

- The proud father of three wonderful daughters who make life exciting and interesting
- Fortunate to have been married to my very understanding and patient wife for over 27 years
- A former construction worker, gas station attendant, factory worker, house painter, and landscaper
- Always looking for my next vacation destination, and an avid traveler
- A huge fan of To Kill A Mockingbird

“Be kind, stay humble, smile often, be honest, travel when possible, never stop learning, see the best in others, and love always.”
