We are pleased to share this inaugural issue of Corporate Policyholder magazine, a publication of the Barnes & Thornburg Insurance Recovery Practice Group. Our publication is devoted to the challenges facing businesses, public entities and not-for-profits in mitigating and transferring risk, principally through insurance. Maximizing the value of insurance policies and getting claims paid is what we do. This magazine is the journal of our practice, written for insurance professionals responsible for the all-important insurance recovery function inside and outside U.S. companies.
